

## SWB-320

The SweepEx® SWB-320 walk-behind rotary broom is compact for easier handling and maneuverability. The SWB-320 comes standard with a 32" multipurpose brush kit and a Briggs & Stratton engine to give you the power you need to move dirt, snow and other debris. The SWB-320's simple yet powerful design makes it ideal for a variety of cleanup applications.

### Features:

- 1-speed transmission
- 4 position adjustable handle height
- Folding handlebars
- Pneumatic wheel support
- Heavy-duty plastic cover with steel substructure
- Centrally driven brush with adjustable brush angle
