

SWB-480

The SweepEx® SWB-480 walk-behind rotary broom is our largest rotary broom that offers superior power and reach without sacrificing handling and maneuverability. The SWB-480 comes standard with a 48" multipurpose brush kit and a Honda engine to give you the power you need to move dirt, snow and other debris.

Features:

- 3-speed transmission
- 7 position adjustable handle height
- Folding handlebars
- Pneumatic wheel support with variable down pressure
- Durable Honda Engine
- Centrally driven brush with adjustable brush angle
